

A large, stylized cupcake is the central focus. It has a brown paper liner with vertical ridges. The cupcake is decorated with a thick layer of green frosting, a wide pink band, and a swirl of white frosting topped with a chocolate drizzle. A red heart with a black outline is positioned above the cupcake, with a black swirl line connecting it to the top of the frosting. The background is pink with white polka dots. On the left side, there are four empty white rectangular boxes with black borders, stacked vertically.
